

Egg Flower Cartons

The sun is shining, and the flowers are blossoming.

Have fun with this activity by using recycled egg cartons to create your own spring flower.

You will need,

Egg Cartons

Straws/sticks for stem

Any colour paints

Glue/tape

Scissors

Instructions

Cut out your recycled egg cartons, you could cut out 4 or singles.

Paint using a variety of colours then glue/tape your straws or stick to the back.

Have fun creating your own DIY egg carton flower.
