

It's glitter time!

This is such a creative fun activity to do!

You will need:

Balloon

Glitter- lots!

A range of different colours

Glue

Instructions:

Firstly, blow up a balloon, these can range from small to large, whichever size you prefer.

Mix glitter and glue into a bowl and stir.

Dip your inflated balloon about ½ way into the glitter mixture.

Let dry overnight.

Pop balloon next day.

And you'll have your own glitter bowl.

Have fun!
